**Re: Mandatory Garbage Collection Service for County Residents**

To Whom It May Concern:

Dale County has had mandatory garbage collection service since 1993. Not subscribing to an approved garbage service is a violation of Article 1 of the *Solid Waste Disposal Act (State Law 22-27-3)*. The department collects residential garbage throughout the county.

Unapproved garbage disposal consists of the following activities: burning garbage, dumping garbage on personal property, burying garbage on personal property, unauthorized use of dumpsters and utilizing another household's garbage service.

You must subscribe to the approved garbage collection service at the following location. Please bring a copy of your driver's license or photo I.D to:

**Dale County Solid Waste Department**  
202 South Highway 123, Ste. A  
Ozark, AL 36360  
(334)774-6212

(Intersection of Hwy 231 and Hwy 123), behind Kangaroo Gas Station

If your household is utilizing the services of a dumpster for garbage disposal, you must remit a letter/bill indicating such services and include the physical addresses utilizing that particular dumpster. If you are a business owner, farmer or anyone who requires a dumpster for the needs other than household garbage, please make mention on the letter/bill you remit.

If you have any questions or concerns you may contact me at (334)445-6787 or the Solid Waste Office at (334)774-6212.

Respectfully,

Corey A. Baldwin  
Compliance Officer  
Dale County Commission
