Re: Repair of Courthouse elevator

Dear Commissioners:

I am asking the Commission to declare the existence of an emergency affecting public health and safety or convenience (per statute 41-16-23) regarding repairing the elevator in the Dale County Courthouse. Without this elevator, people with disabilities will not be able to attend required court or other business in the upper floors of the Dale County Courthouse. The elevator has not been working for the past week. Mowrey Elevator Co. has been trying to repair this elevator and I have been notified that parts for repair are no longer available due to the age of the elevator and major upgrades are required.

I am also asking for a vote to proceed immediately with the repair of this elevator without advertisement for bids based on the existence of an emergency and the following information:

- 1) Mowrey Elevator Co. has responded to my request for a proposal for repairing the elevator. See attached Proposal #04052018-001.
- 2) I have contacted Bagby Elevator Company which has stated it will be at least another 2 weeks before they could come look at the elevator. I also contacted Kone Elevator Co. who has not returned my phone calls.
- 3) Mowrey currently has the maintenance contract for the elevator and is very familiar with the elevator.
- 4) Mowrey has stated that it will take 5-6 weeks for get all the parts for the elevator and another 8 weeks to complete the repair.

Mowrey is the only company that has provided a proposal. With the length of time it will take to get parts and then repair, I believe the Commission should accept Mowrey's proposal and start the repair as soon as possible.
