November 28, 2018

Dear Commissioner Gary,

I would like to ask for your assistance in aiding the Town of Newton with maintaining Union Church Road and Stanford Hills Road. Historically, these roads have been maintained, at different times, by both Dale County and the Town of Newton. Currently, however, due to shortages in staffing and monetary resources, the Town of Newton has been unable to maintain the roads.

Recently, due to extreme weather conditions, the roads have severely deteriorated and have become unsafe for the citizens and residents that live on them. With all things considered, the Town officially requests the assistance of the Dale County Commission in maintaining these roads to insure safe passage.

On behalf of the Town Council and the citizens of the Town of Newton, I officially and wholeheartedly express my appreciation and gratitude for any assistance that the Dale County Commission can offer.

Warmest Regards,

William E. Pruett, Jr.
Mayor
Town of Newton
